AI-01	Maintain external-communications hold on the AURORA matter; no proactive external statements pending counsel.	Owen Bell	12 November 2025	Open
AI-02	Coordinate all customer-facing wording on the Trust Reset programme with Legal before issue; align talking points across account teams.	Grace Okafor	14 November 2025	In progress
AI-03	Do not use breach or exfiltration terminology in writing pending counsel's assessment; describe the matter factually by reference to the investigation.	Priya Raman	7 November 2025	Open
AI-04	Continue forensic liaison with IronLake; ensure Phase 1 findings are reviewed under privilege.	Owen Bell	12 November 2025	In progress
AI-05	Prepare privacy-law assessment of notification triggers (EU/UK/US) for counsel review.	Grace Okafor	18 November 2025	In progress
AI-06	Develop regulator-engagement strategy options for consideration if findings warrant.	Priya Raman	20 November 2025	Open
AI-07	Keep the reserve approach proportionate to estimable exposure; prepare a finance view for the Audit Committee timetable.	Daniel Cho	21 November 2025	Open
AI-08	Confirm scope and cost of external advisers (forensics, insurance, counsel) and onboarding status.	Daniel Cho	10 November 2025	Closed

Notes

- External-communications hold remains in force until counsel advises otherwise.
- Customer-facing wording to be aligned with Legal before any issue.
- Forensic liaison with **IronLake** to continue; findings to be handled under privilege.
- Reserve approach to be kept proportionate to estimable exposure pending the assessment.
