Monthly Finance Pack — September 2025. Management accounts and key performance indicators for VistaPort Media Inc.. Prepared by Victor Osei, Group Controller. Figures are management estimates, unaudited.

1. Executive summary

September trading was in line with plan. Advertising impressions and email engagement were healthy and stable, customer-support volumes were at normal levels, and operating costs were on budget. No items of note for management attention this month.

2. Key performance indicators vs plan

KPI	Plan	Actual	Var.
Email weekly active users (m)	168.4	168.4	+0.0%
Mobile monthly active users (m)	408.6	408.4	-0.0%
Ad impressions (bn, monthly run-rate)	41.2	41.2	+0.0%
Password-reset volume (k/week avg)	904	904	+0.0%
Login-failure rate (%)	0.80	0.80	-0.5%

3. Profit & loss summary (month)

Line item	September
Revenue	\$432m
Cost of revenue	(\$177m)
Customer support & operations	(\$18m)
Trust & safety	(\$9m)
Third-party professional fees	(\$3m)
Other operating expenses	(\$130m)

4. Commentary

- Advertising: impressions and yield stable; LumenX fill rate within normal band.
- Engagement: email weekly active users and mobile MAU steady, on plan.
- Costs: customer-support and trust-and-safety costs at baseline; no unusual items.
- Cash: collections on track; no working-capital concerns.
